Re: Agency State Constable POC information request

In order to streamline communication to all South Carolina law enforcement agencies that use state constables, the Regulatory Services department is in the process of developing a complete listing of agencies POC (Point of Contact) for constables.

Please reply to this email with your agencies (POC) information at sconstablesleddocs@sled.sc.gov. This will enable us to better keep your agency informed of any changes that may occur going forward with the state constable program.

You can also save the following link for all State Law Enforcement Division constable forms and the most up-to-date policies dealing with state constables:
