INITIAL FIGURES FOR THE YEAR 2004
FINAL FIGURES FOR THE YEAR 2003

COMPILED BY THE STATE LAW ENFORCEMENT DIVISION
UNIFORM CRIME REPORTS DEPARTMENT

PLEASE NOTE

Figures used in this report are submitted by law enforcement agencies throughout South Carolina. Individuals using these tabulations are cautioned against drawing conclusions by making direct comparisons between jurisdictions due to the existence of numerous factors which affect the amount and type of crime from place to place. Some of these factors are listed in the report. It is important to remember that crime is a social problem and, therefore, a concern of the entire community. The efforts of law enforcement are limited to factors within its control.
