Q: How do I apply for a South Carolina CWP?

A: Most applicants must first attend required training through a certified South Carolina CWP instructor. A listing of instructors is available on the SLED website (www.sled.sc.gov) under the Concealed Weapons Permit Program tab. Your selected instructor will help you navigate through the remainder of the CWP application process.

Q: How long does it take to get a CWP once I apply?

A: Although processing times vary greatly depending on current demand and type of application, by state law SLED has 90 days to process and issue permits. If you applied **more than 90 days ago** and still have not received your permit or notification advising why you have not received it, please contact SLED Regulatory Services by emailing CWPQuestions@sled.sc.gov.

Q: Can I complete an online renewal even though my address had changed?

A: No. There is no link to change your address online, and your permit is not to be renewed online if you have had any life changes, in any fashion, which differ from the information on your current permit.

Q: How do I renew my CWP application online?

A: From the SLED website, please click the "SLED CWPR" box in the top right corner of the home page. Please carefully read the instructions provided, and follow the prompts to renew your permit. You will not be able to apply on-line if you are applying for renewal prior to 89 days of your expiration date or if your permit has expired in excess of 60 days. **Also, you must submit a paper renewal application if any information has changed since you last applied; to include name change, address change, or telephone number changes.**

Q: If I lost my CWP or changed any information on it (name, address, etc.), how do I get a new one?

A: You may request a replacement CWP by completing a *Duplicate/Replacement* card form which is available on the SLED website (www.sled.sc.gov) under the Concealed Weapons Permit Program tab. Please carefully follow the instructions listed on the form to ensure your request is properly processed.

Q: I sent in for a replacement for a lost/stolen CWP. How long does it take to get one?

A: Processing times for CWP replacements range anywhere from 45 to 90 days.

Q: My CWP expired. Do I have to go through training again?

A: While you are encouraged to maintain familiarity and proficiency with the firearm you intend to carry with your CWP, retraining is not mandated by state law upon expiration. However, you will need to mail in an application as renewing online is not possible if the permit has been expired for more than 60 days.

Q: I have a South Carolina CWP and have moved out of state. What do I need to do?

A: In accordance with state law, you must surrender your permit to SLED. You may send it to SLED CWP, PO Box 21398, Columbia, SC 29221. Please include a note indicating you have moved out of the state, and SLED will update your information accordingly.
