

Kit Submissions in iLAB

All kits with the exception of DUI are to be logged in as single items.

For example: If you have three GSR Kits, they should be three individual items indicating ownership in the corresponding item description.

DUI Kit evidence should be entered as seen in the chart below.

Kit Type	Item Type	Item Description
GSR	GSR Kit	Name from kit
Suspect	Suspect Kit	Name of Suspect
CSC Kits	CSC Kit	Name of Victim
BEST Kits	BEST Kit Evidence	None needed for BEST evidence
DUI Kit	Dui Urine and/or Dui Blood <i><u>If DUI kit contains both Urine and Blood, they must be entered as separate/individual items.</u></i>	Name of subject
