FORENSIC SERVICES LABORATORY CUSTOMER NOTICE 2019-02 October 9, 2019

EXAMINATIONS ON IBIS EVIDENCE

All evidence (firearms or fired cartridge cases) that needs to be processed for TOUCH DNA or LATENT PRINTS must have these examinations performed **prior** to being triaged through the SLED Integrated Ballistics Identification System (IBIS) Entry by Appointment (EBA) program. Once evidence has been triaged through the IBIS EBA program, it will no longer be eligible for Touch DNA or Latent Print examination.
