Agents of the S.C. Law Enforcement Division continue their investigation of an incident Friday evening in which one man was shot and wounded in a confrontation with a deputy from the Anderson County Sheriff's Office. Following an attempted traffic stop, the suspect who was fleeing on foot, pulled and pointed a handgun at the deputy who then fired at the suspect. The suspect was taken to a local hospital with non-life threatening injuries.

SLED conducts law enforcement officer involved shooting investigations at the request of the agency involved in the incident. These independent investigations follow SLED's guidance in conducting interviews along with the gathering and analysis of forensic evidence. Interviews are being conducted with the responding officers and others.

Information gathered in the SLED investigation of the incident will be summarized in a case file report to be submitted to prosecutors.

This is an ongoing investigation. No other information about the case will be disclosed by SLED at this time. SLED will defer to the Anderson County Sheriff's Office for any information about their deputies.

The incident was the eighth officer involved shooting in South Carolina in 2020 and the first this year involving the Anderson County Sheriff's Office. In 2019, there were 45 officer involved shootings in South Carolina; four involved the Anderson County Sheriff's Office.
