SLED INVESTIGATING OFFICER INVOLVED **SHOOTING IN ANDERSON COUNTY**

Agents from the South Carolina Law Enforcement Division are investigating an incident from Tuesday between a man and deputies from the Anderson County Sheriff's Office. Deputies were attempting to serve outstanding warrants for Domestic Violence 1st Degree, Resisting Arrest and Receiving Stolen Goods when the suspect fled. Following a vehicle pursuit, the suspect, Brandon Mauldin, was shot during a confrontation with deputies and subsequently died from his injuries. No other injuries occurred during the incident.

SLED conducts law enforcement officer involved shooting (OIS) investigations at the request of the agency involved in the incident. When requested to investigate an OIS, SLED's goal is to conduct a thorough, independent criminal investigation as timely as is possible under the circumstances. SLED agents will conduct interviews with all potential witnesses in this matter. Further, SLED will collect all relevant evidence and will forensically test such evidence as needed.

Information gathered in the SLED investigation of the incident will be summarized in a case file report to be submitted to prosecutors.

This is an ongoing investigation. As such, no other information about the case will be disclosed by SLED at this time. SLED will defer to the Anderson County Sheriff's Office for any information about their officers.

The incident in Anderson County was the 37th officer involved shooting in South Carolina in 2021. In 2020, there were 49 officer involved shootings in South Carolina; 3 involved the Anderson County Sheriff's Office.
