**COLUMBIA, S.C.** –In addition to the S.C. Department of Corrections, the S.C. Law Enforcement Division (SLED) and the Richland County Sheriff's Department offering a \$30,000 reward for information that leads to the capture and return to prison of Jeriod John Price, the FBI is now offering a reward of up to \$30,000 for information leading to his arrest.

Price was released from prison in March, but he has been ordered to return and serve the remainder of his sentence.

Price, 43, is described as a Black male, 5 feet 10 inches tall, weighing an estimated 240 pounds. He is considered armed and dangerous.

If you have any information about his whereabouts, please contact SLED at (866)472-8477, email [tips@sled.sc.gov](mailto:tips@sled.sc.gov).
