### **SLED INVESTIGATING OFFICER INVOLVED SHOOTING IN GREENVILLE COUNTY**

Agents from the South Carolina Law Enforcement Division (SLED) are investigating an officer involved shooting which occurred on Tuesday, November 7, 2023, in Greenville County.

During an ongoing narcotics investigation in partnership with the United States Department of Homeland Security Investigations, deputies with the Greenville County Sheriff's Office encountered an armed male subject, later identified as Justin Barrett McCarrell, 36. During the encounter on Carter Street in Greenville County, McCarrell was shot, transported to the hospital, and died from his injuries. No law enforcement officers were injured. SLED was requested to investigate by the Greenville County Sheriff's Office.

This is an ongoing investigation. As such, no other information about the case will be disclosed by SLED at this time.

SLED conducts law enforcement officer involved shooting (OIS) investigations at the request of the agency involved in the incident or the agency with jurisdiction. When requested to investigate an OIS, SLED's goal is to conduct a thorough, independent criminal investigation as timely as is possible under the circumstances. SLED agents will conduct interviews with all potential witnesses in this matter. Further, SLED will collect all relevant evidence and will forensically test such evidence as needed. Information gathered in the SLED investigation of the incident will be summarized in a case file report to be submitted to prosecutors.

The incident in Greenville County was the 35<sup>th</sup> officer involved shooting in South Carolina in 2023. This is the 2<sup>nd</sup> officer involved shooting for the Greenville County Sheriff's Office this year.

In 2022, there were 32 officer involved shootings in South Carolina. The Greenville County Sheriff's Office had 1 officer involved shooting last year.
