Sexual Assault Kit Tracking System Semiannual Report

In accordance with S.C. Code Ann. § 23-3-1300 (H.3309), the South Carolina Law Enforcement Division (SLED) hereby submits its semiannual report. By way of background, Governor McMaster signed Act 134 (H.3309) into law on May 19, 2020. The stated intent of the Sexual Assault Kit Tracking legislation is “to further empower survivors with information, assist law enforcement with investigations and crime prevention, and create transparency and foster public trust.” *See* Act 134 (H.3309).

S.C. Code Ann. § 23-3-1300 mandates that SLED submit a semiannual report containing data from the sexual assault kit tracking system. Accordingly, attached is a report which details statewide sexual assault kit tracking system statistics. *See* S.C. Code Ann. § 23-3-1300(E). For context, it should be noted that Track-Kit™ went live on December 11, 2023, and the statistics on page one of the attached report are reflective of data entered from that date through July 28, 2026. Additionally, the statistics on page two of the attached report represent the most recent reporting period, specifically covering January 31, 2026, through July 28, 2026. The data in this report shows that there are currently 4764 sexual assault kits in Track-Kit™, 665 of which were entered in the last six months. Additionally, the data also shows that forensic analysis has been completed on 1023 sexual assault kits since Track-Kit™ went live, 248 of which have been completed in the last six months. Finally, the remaining pages of the report contain data specific to the 243 law enforcement agencies enrolled in Track-Kit™, which is increased from 237 agencies in January 2026.

It is also noteworthy that SLED and InVita Healthcare Technologies continue to collaborate to enhance the effectiveness of Track-Kit™ for its various user groups. To that end, ten Track-Kit™ refresher training webinars will be held in August 2026. Additionally, a Track-Kit™ presentation is being provided at the Pee Dee Regional Sexual Assault and Domestic Violence Conference on July 30, 2026, and representatives from various stakeholder groups are expected to attend.

In conclusion, SLED will continue to work together with its stakeholders throughout the State to fulfill the purpose of this important legislation.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Mark Keel', is written over the word 'Sincerely,'.

Mark Keel
SLED Chief
