Sexual Assault Kit Tracking System Semiannual Report

In accordance with S.C. Code Ann. § 23-3-1300 (H.3309), the South Carolina Law Enforcement Division (SLED) hereby submits its semiannual report. By way of background, Governor McMaster signed Act 134 (H.3309) into law on May 19, 2020. The stated intent of the Sexual Assault Kit Tracking legislation is “to further empower survivors with information, assist law enforcement with investigations and crime prevention, and create transparency and foster public trust.” *See* Act 134 (H.3309).

S.C. Code Ann. § 23-3-1300 mandates that SLED submit a semiannual report containing data from the sexual assault kit tracking system. Accordingly, attached is a report which details statewide sexual assault kit tracking system statistics. *See* S.C. Code Ann. § 23-3-1300(E).

In conclusion, SLED will continue to work together with its stakeholders throughout the State to fulfill the purpose of this important legislation.

Sincerely,

Mark Keel
SLED Chief
